POSTAL RATE COMMISSION
WASHINGTON, D.C. 20268-0001

POSTAL RATE AND FEE CHANGES, 2006

Docket No. R2006-1

NOTICE OF THE UNITED STATES POSTAL SERVICE OF FILING
A REVISED LIBRARY REFERENCE USPS-LR-L-103 [ERRATA]
(August 3, 2006)

The United States Postal Service hereby files notice that today it is filing a revised Library Reference USPS-LR-L-103, *Parcels Cost Models/PRC Version*, a Category 5 library reference. This library reference was originally filed with an addendum that corrected the erroneous use of values on the Bound Printed Matter Destination Sectional Center Facility (DSCF) cost model. Revisions are now being made to the Parcel Post models: 1) the inter-BMC and intra-BMC retail percentages that were calculated in the response of Postal Service witness Miller (USPS-T-21) to interrogatory UPS/USPS-T21-4 have been included on page 7; and 2) the DBMC, DSCF, and DDU machinable, nonmachinable, and oversize volume percentages suggested in interrogatory UPS/USPS-T21-20, parts (f) and (g), have been included on page 7.

These revisions affect the following pages of the Parcel Post model: pages 1, 2, 9-14, and 33. A revised Parcel Post Excel file is being filed electronically today. In addition, hardcopies of those pages that are affected by the entirety of the errata are provided in the addendum to the hardcopy library reference.

Copies are also on file with the Postal Service library.

Respectfully submitted,

UNITED STATES POSTAL SERVICE

By its attorneys:

Daniel J. Foucheaux
Chief Counsel, Ratemaking

Keith E. Weidner
